MONSTER® MNSBA36G

Quick Start Guide

36" Dolby ATMOS, Indoor /Outdoor Wireless Soundbar

Setting the Soundbar

1 Plug in the power adapter and the display will light up (Standby mode)

2 Switch on the sound bar by pressing "POWER" button on sound bar or on remote controller.

After switching on, the default input mode will appear on display.

Do not mix old and new batteries and Do not mix alkaline, standard (carbon-zinc) or rechargeable (ni-cad, ni-mh, etc.) batteries

3 Input modes can be changed by pressing the "INPUT" button on sound bar or on remote controller.

Below are input mode names appearing in the sound bar display:

BT -Bluetooth Pairing mode, AUX-AUX mode,
OPT-Optical mode, ARC - TV HDMI ARC mode,
eARC - TV HDMI eARC mode, USB - USB mode.

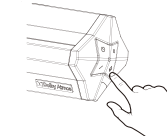

4 Playing Audio via BT Connection

Turn on the sound bar, then short-press the "INPUT" button on sound bar or remote controller to switch it to **Bluetooth (BT)** mode the LED display on the Soundbar will flicker in the Bluetooth pairing mode.

Activate the pairing function on your phone or other compatible device and select "**MONSTER SBA36G**" by BT connection.

When successfully paired, you will hear a connection tone and LED display will turn on "BT" and stop flickering. Then music that you selected can be played on the sound bar.

The remote controller includes BT mode playback controls.

5 Controlling the lights.

Control of the LED lights can only be carried out using the remote control. Press the  button. There are 17 different modes. Pressing several times the  button, the unit will navigate through the different light modes.

NOTE: Long press 2 seconds "LIGHT" mode on the remote control, quickly enter monochrome mode and select L11, L12.... L17.
